

QuantumLayer Whitepaper - Authorship Declaration

I, Esentials, hereby declare that the document titled
"QuantumLayer - Whitepaper: The Future of AI and Quantum-Secured Blockchain Infrastructure",
identified by SHA-256 hash:

fbfa26d1cb099585107b21eb9523ad8d06d7cb4a35fdb789a08920e3df1ee22f

was authored by myself [and my team] between March and May 2025.

All sections, including the executive summary, technical architecture, tokenomics, and roadmap,
are the result of original work and are not derived from any external or third-party materials.

This declaration is made to establish authorship and protect intellectual property in the event of
misuse or misrepresentation.

Signed,

Esentials
